

Leaf Magic Trail

Mag Post

Ash

Can you find all 10 Leaf Magic trail markers around the mill yard?

All these plants grow in the country park.

Why not go on a walk and see if you can spot the real plants. You can use the mag posts to look more closely at any leaves you find.

Blackthorn

Oak

Willow

Alder

Sycamore

Silver birch

Elder

Blackberry

Hawthorn

Why not save paper and download the trail on to your phone
