WORKING MILL & COUNTRY PARK

# Worsbrough Mill Multi-Sensory Trail

Follow the trail and touch, taste, look, listen, and smell for a truly sensational experience.

If you are short on time, have small children or need an accessible route, the pathways closer to the mill will be the perfect walk for you. If you are feeling more adventurous and want a longer walk please bear in mind that the pathway marked between the muddy boots can get very muddy in wet conditions.

Facilities available in the Mill Yard

- Picnic Benches
- Café

This multi-sensory trail was created with the kind help of the Opening Doors volunteer group.
